IN THE DRAWINGS:

Please approve the proposed amendment to the drawings as follows:

In the drawings, the second reference numeral 420 was corrected and changed to 426 to reflect correct numbering and correspond with the steps as outlined in the specification. The proposed change to the drawing (Figure 4) is for clarity and to have this figure conform to the description of Figure 4 in the specification. A detailed drawing with corrections in red is attached hereto.

REMARKS

This amendment is made in addition to the amendment filed on February 25, 1999.

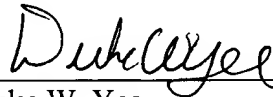

Amendments were made to the specification to correct errors and clarify the specification. No new matter has been added by any of the amendments to the specification.

In the drawings, the proposed change to the drawing (Figure 4) is for clarity and to have this figure conform to the description of Figure 4 in the specification. A detailed drawing with corrections in red is attached hereto. Upon approval by the examiner, formal versions of the drawings will be submitted.

No new matter would be added by any of the proposed amendments to the drawings. The examiner is invited to call the undersigned at the below-listed telephone number if in the opinion of the examiner such a telephone conference would expedite or aid the prosecution and examination of this application.
